

# Sales Manager

Salary: £35 - 40k + incentives

Location: North Yorkshire (Ref:238)

## A Breath of Fresh Air!

Our client, Analox Sensor Technology, specialise in the design and manufacture of gas sensors and analysers. Over the past 25 years they have established a reputation for developing innovative solutions to gas monitoring in extreme environments as well as providing life support monitoring for saturation diving in the commercial diving industry. They pride themselves in pushing the boundaries of traditional technology when faced with developing new products.

An opportunity has arisen for a Sales Manager to join this leading technology company. Your role will entail opening new accounts as well as raising the standard of the sales force and their performance. You must have at least 2 years experience in a similar role and have proven success in achieving your targets. You will have managed and sold through distributors and have worked in the b2b marketplace. You are a highly motivated sales professional and will be confident at establishing, developing and closing sales opportunities and have real drive and determination for success. Ideally, you will have a background in selling technical products and are a quick learner.

**Ideal skills and qualities for this Sales Manager role will be:**

- A Motivator
- Straight & Direct
- Supportive
- High Integrity
- Open Doors & Close Deals
- Gets Things Done !
